"Never Again: A ceremony to commemorate the dropping of the atomic bombs on Hiroshima and Nagasaki 67 years ago"

Date: August 11th (Saturday) 12–1PM

Venue: Otago Museum Peace Pole

Michimasa Hirata and Shigeko Niimoto Sasamori, survivors of the Hiroshima atomic bomb, are visiting Dunedin and speaking at these events to share their memories of the war and the devastating consequences of nuclear warfare.

August 6th and 9th, 2012 mark the 67th anniversary of the atomic bombing of Hiroshima and Nagasaki. The number of "Hibakusha" (survivors) is rapidly diminishing. Dunedin is very privileged to be hosting a visit from two of them on the 10th and 11th August. If you want to hear their experiences firsthand...this may be one of your last chances!

Organizers: The National Centre for Peace and Conflict Studies, University of Otago, Waiheke Combined Churches' Council, Otago University Chaplains and the Dunedin Japanese Community.
