***WANGANUI*
INTERNATIONAL DAY OF PEACE CELEBRATIONS**

Friday the 21st September

5 – 7 p.m.

at

**THE SARJEANT GALLERY
QUEENS PARK**

On this day, five years ago, the peace sculpture 'Handspan' was dedicated to a culture of peace and non-violence for the children of the world, and – whatever the weather – our celebrations will include a short ceremony at the sculpture and the release of dove balloons.

As in previous years the names of the 192 United Nations member nations will be mentioned and included in our thoughts. A few other celebrative contributions are being planned.
