

# Layout of OHCHR UPR stakeholders' compilation document

Based on the OHCHR compilation report on Canada, 29 January 2013 (A/HRC/WG.6/16/CAN/3), available at <http://www.converge.org.nz/pma/Canada-OHCHR2013.pdf>

**Please note:** you do not need to include all of these sections in your report, they are included here for reference so you can see the main headings the OHCHR uses. If you are uncertain about which heading to use for the topic/s or issue/s covered in your report, please refer to the compilation report on Canada for examples. It is fine to use sub-headings for one or more sections in your report if that helps to make the information included easier to read and understand. If you are covering a human right that is not listed in section C below, it is fine to include a heading with that right.

## A. Background and framework

1. Scope of international obligations
2. Constitutional and legislative framework
3. Institutional and human rights infrastructure and policy measures
